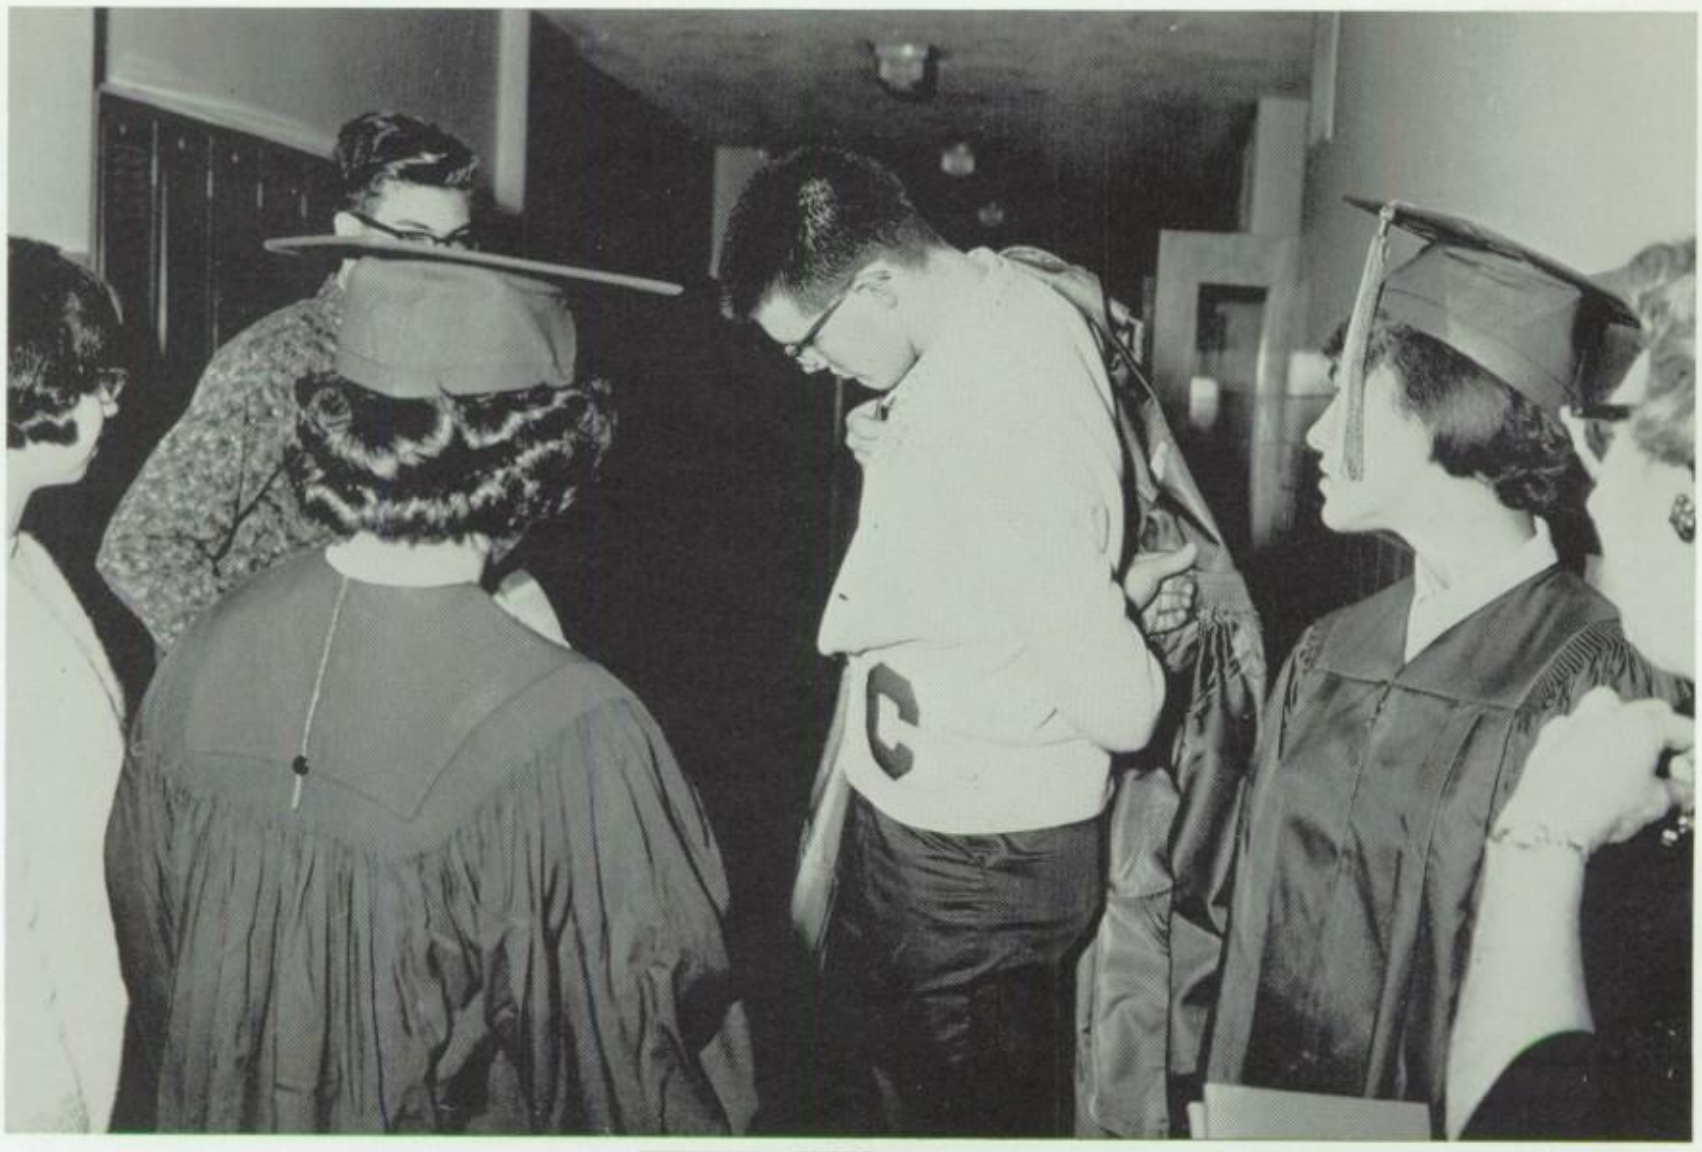
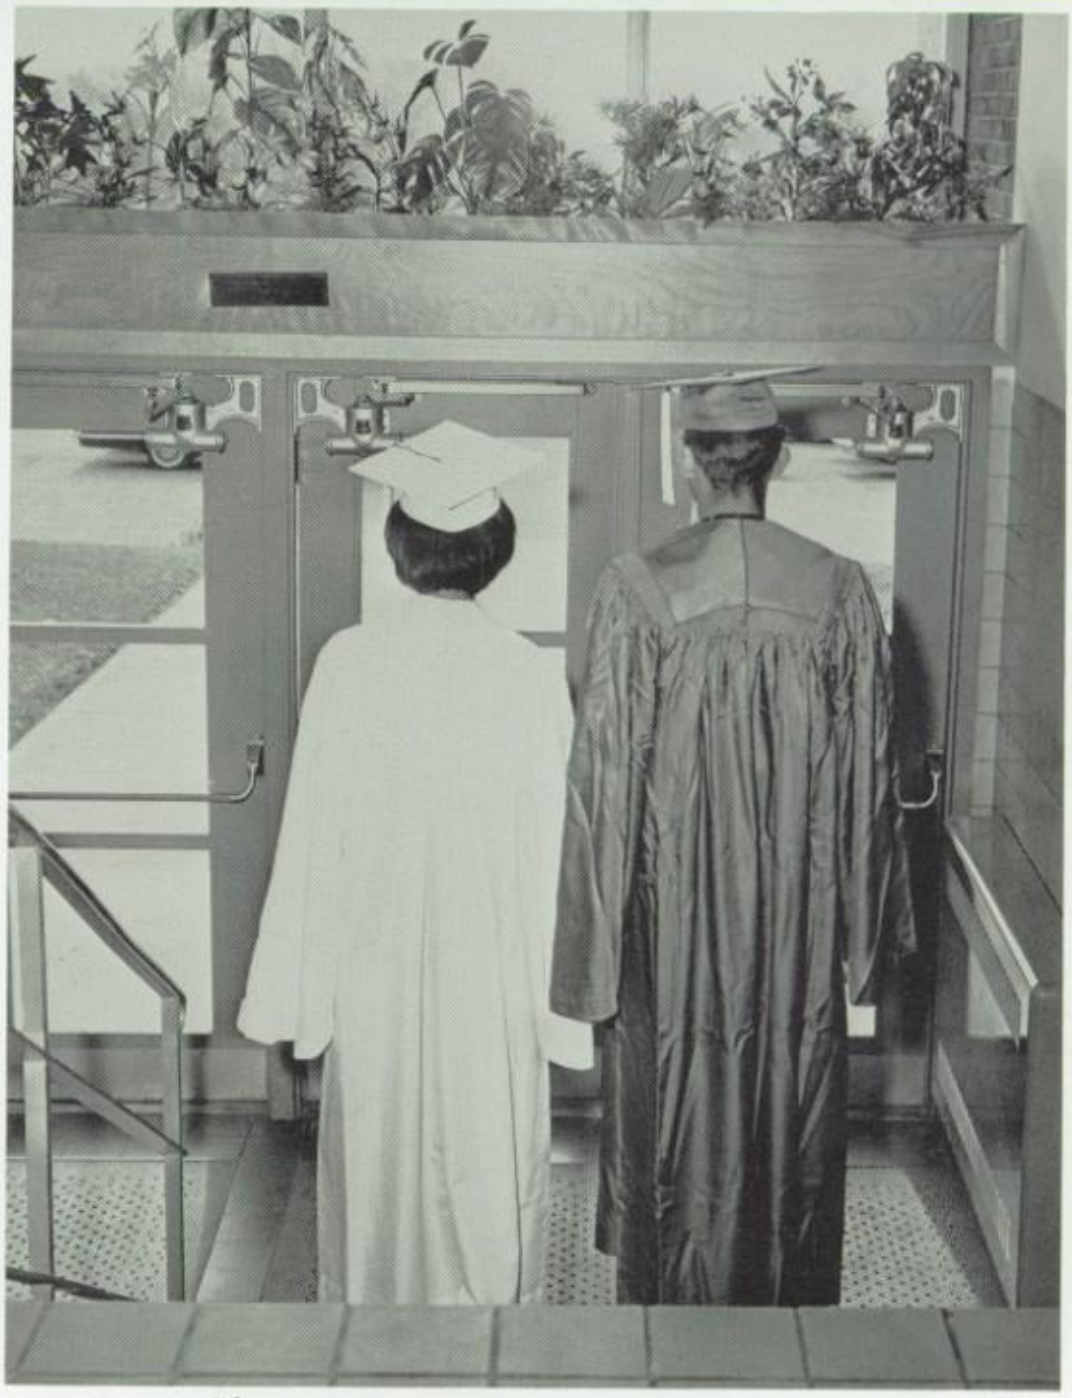
Graduation

It's a long walk

Four Years wages - a handshake and a piece of paper





Forward into the
future . . .

The past four years have passed for us quickly, and our days at Crestwood High School are drawing to a close. Recalling the many activities in which we have participated - just what have we contributed? Here we have gained so much intellectually and socially if we but took advantage of it. The thoughts of new lives are exciting and rather frustrating. We are to be the leaders of tomorrow and the guides for the future generation. Crestwood High School has been a firm building ground, and with God's help may we all uphold the name of Crestwood. Hats off to the underclassmen! May they continue to learn and to grow on the hill. Many thanks to the generous faculty and administrators for their guidance and trust in the Class of 1964.
